In frame of conference, practical master-classes on exchange of experience between Ukrainian, Kazakhstan and Kyrgyzstan cardiac surgeons were implemented under lead of Boris Todurov (Ukraine), Jalil Sheishenov (Kazakhstan) and Zhamalbek Ashimov (Kyrgyzstan) at SRI of Heart Surgery and Organ Transplantation in

Bishkek, Kyrgyzstan. The following cardiac surgery procedures as mini-invasive and thoracoscopic closure of septal defects in congenital heart diseases, Ozaki procedure for aortic valve repair surgery, Bentall de Bono repair of aortic valve and ascending aorta and valve replacement surgeries were performed (Fig. 2).
