Editorial

- Insights from the EACVI document on multimodality imaging for the evaluation and management of patients with long-term (durable) left ventricular assist devices** 257
Aditya Sood, Conway, SC, USA

Editorial

- Chronic kidney disease and cardiovascular disease: what came first, the chicken or the egg?** 260
Antonio Sergio Cordeiro da Rocha, Rio de Janeiro, Brazil

Editorial

- Conduction system pacing: What is new in 2025 clinical consensus statement** 263
Oleh Semeniuk, Mykhaylo Sorokivsky, Ulyana Chernyaha-Royko, Oleh Zharinov, Lviv, Kyiv, Ukraine

Editorial

- AHA 2025 guidelines for acute coronary syndromes: Latest evidence and comparison with ESC guidelines** 267
Dario Mafrica, Giuseppe Franculli, Antonio Rossi, Antonio Esposito, Giuseppe Biondi-Zoccai, Marco Bernardi, Pierre Sabouret, Rome, Latina, Cotignola, Italy; Paris, France

Original Research

- Cardio-protective role of ranolazine during percutaneous coronary intervention in chronic coronary syndrome patients** 274
Ahmed G.Bakry Hossam Eldin M Mahmoud, Areej Alkhateeb, Mohammed H. Hassan, Marwa Abdelhady, Qena, Luxor, Egypt

Original Research

- Differential diagnosis of aortic aneurysms: pathomorphological criteria of various etiological forms** 285
Bokhodir A. Magrupov, Abdusalom A. Abdurakhmanov, Khamidulla A. Abdumajidov, Odilbek S. Sultanov, Tashkent, Bukhara, Uzbekistan

Original Research

- Comparative outcomes of retropubic versus transvesical open adenomectomy in benign prostatic hyperplasia: A retrospective cohort study** 296
Abdusshalal Baktybek Uulu, Akylbek Usupbaev, Beksultan Ismatov, Damirbek Abibillaev, Bekmurza Konurbaev, Bishkek, Kyrgyzstan

Original Research

- Perinatal mortality: Trends in prevalence and association with birth weight** 307
Violetta A. Vybornykh, Bishkek, Kyrgyz Republic

Original Research

- Evaluation of diagnostic accuracy of Allergy Explorer 2 method in children with bronchial asthma and allergic rhinitis in the Kyrgyz Republic** 315
Shairbek A. Sulaimanov, Mukhtar E. Asheraliev, Kalia T. Turatbekova, Bishkek, Kyrgyzstan

Original Research

- Experience of surgical correction of congenital high intestinal obstruction in newborns** 320
Tatyana A. Akmentieva, Kamchibek A. Uzakbaev, Natalia .F. Gagloeva, Bishkek, Kyrgyzstan

Original Research

- Vascular surgery strategy to preserve function in lower limbs sarcoma resection: An oncovascular approach** 326
Andrea Ascoli Marchetti, Fabio Massimo Oddi, Lorenzo Di Giulio, Mauro Fresilli, Alessandro Ranucci, Federico Francisco Pennetta, Cataldo Caruso, Martina Battistini, Eugenio Martelli, Rome, Italy

Original Research

- Unloading strategies in venoarterial extracorporeal membrane oxygenation: Insights from a contemporary cohort** 334
Marta Leite, Fábio Sousa-Nunes, Mariana Brandão, Mariana Ribeiro Silva, Pedro Gonçalves Teixeira, Marisa Silva, Marta Ponte, Gustavo Pires-Morais, Adelaide Dias, Pedro Braga, Daniel Caeiro, Ricardo Fontes-Carvalho, Vila Nova de Gaia, Porto, Portugal

Original Research

- Predictors and outcomes of coronary ectasia presenting with acute coronary syndrome** 346
Elsayed Abdelaaty, Amr Zaki, Mohamed Sadaka, Samir Rafla, Alexandria, Egypt

Systematic review

- Biological value of yak milk and its importance in medical and functional nutrition: A systematic review** 357
Altynai N. Saalieva, Feruza A. Kochkorova, Marina K. Esenamanova, Aigul M. Usubalieva, Nadira K. Turganbaeva, Dinara B. Isakova, Nurgul S. Dyusheeva, Sapargul U. Turdubekova, Rimma Sh. Elemanova, Bishkek, Kyrgyz Republic

Review

- Adolescent health – contemporary trends in the world and Kyrgyzstan** 372
Mairam K. Koshukeeva, Vladimir P. Alekseev, Bishkek, Kyrgyzstan

Case report

- Multimodality cardiovascular imaging in the complete congenital absence of the pericardium: case report and brief literature review** 377
Nelya Oryshchyn, Yurij Ivaniv1, Veronika Yevtukh, Anastasiya Oryshchyn, Lviv, Ukraine

Case report

- Staphylococcus aureus infective endocarditis in an adolescent with an initial diagnosis of complicated dengue fever: A case report** 386
Nicolas de Albuquerque Pereira Feijóó, Thiago Areas Lisboa Netto, Alina de Souza Santos, Ellen Fernanda de Neves Braga, Rafael Quaresma Garrido, Giovanna Ianini Ferraiuoli Barbosa, Bruno Zappa, Guilherme Dalcol Torres de Amorim, Cristiane da Cruz Lamas, Rio de Janeiro, Brazil

Case report

- Problems of early diagnostics of rare demyelinating diseases: A case report** 395
Nurzhan T. Dzhaparalieva, Bolot B. Kulov, Zhenishbek M. Karimov, G J. Osmonova, Aigerim Sh. Sharabidinova, V M. Ysmailova, Bishkek, Tash-Dobo Village, Osh, Kyrgyz Republic

Letter to the Editor

- Letter to the Editor: Severity of obstructive sleep apnea and its impact on coronary artery disease outcomes: A cross-sectional study in Egypt** 401
Shirin Talapbek Kyzy, Moscow, Russia

Answer to the letter to the Editor on page

- Answer to the Letter to the Editor: Severity of obstructive sleep apnea and its impact on coronary artery disease outcomes: A cross-sectional study in Egypt** 403
Ahmed G. Bakry, Hossam Eldin M. Mahmoud, Qena, Egypt

Historical note

- Between the smallpox epidemic and the war of independence: Joseph Warren (1741–1775) as physician and politician** 404
Ihor Romaniuk, Uliana Pidvalna, Lviv, Ukraine
